<i>Example: Math</i>	<i>numbers, equations</i>		

2) Write an e-mail to a friend expressing the subjects you like and the ones you don't like. You can use GUÍA 3 as an example.

The image shows a screenshot of an email composition window. The window has a blue header with two tabs: "E-mail" and "Retrieve E-mail". Below the header, there are two input fields: "To:" and "Subject:". The main body of the email is white and contains a template for writing. It starts with "Hi" followed by a horizontal line. Below this, there are several horizontal lines for writing. At the bottom, it says "See you soon," followed by a horizontal line for a signature. The window has a scroll bar on the right and a status bar at the bottom.
